COSTS

The Marion Seagull running costs come from voluntary contributions. The current rates are:

- Returnable deposit - £100
- First night - £150
- Subsequent nights - £120.

We provide a full tank of diesel at the start of your cruise. You must buy any further fuel, if needed. We also fill up the water tank before you set off. It's your responsibility to keep it topped up.

The toilets empty into two tanks. It's your responsibility to make sure they don't over-fill.

Information about fuel, water and toilet pump-out facilities is on the Scottish Canals website.

CRUISING

You leave from and return to the Falkirk Wheel. Pick-up is at 10am and return by noon. There's parking nearby at the Falkirk Wheel Visitor Centre. A Seagull Trust volunteer will meet you and introduce you to the boat.

SELF-DRIVE

We encourage self-drive cruising, for which one of your crew must be competent in handling a wide-beam canal barge, with two other able-bodied people required on board to assist.

In exceptional cases it should be possible to arrange a daytime helmsman for short duration breaks, at an additional cost.

No dogs can come on board, other than working dogs.
